

# Notice of Postponement

It is with a heavy heart that the Organizing Committee must inform you that we have decided to postpone the CSRS-AP meeting once again to next year. Following the continuing circumstances related to the COVID-19 outbreak, we evaluated that the 11<sup>th</sup> Annual Meeting of Cervical Spine Research Society Asia Pacific Section should be rescheduled for the greater good to ensure the safety of all participants.

The new meeting dates are as follows:

**March 25<sup>th</sup> (Thu) – 27<sup>th</sup> (Sat), 2021**

The meeting will be held in Seoul, but the venue has been changed to INTER-CONTINENTAL SEOUL COEX. Further information related to the meeting will be announced in the coming months.

If you have any inquiries, please do not hesitate to contact us. We express our sincere gratitude for your continuing support and very much look forward to having the opportunity to welcome you all to Seoul in 2021.
